

# AkzoNobel Case Study

## The Brief

ICI, now part of Akzo Nobel, the world's largest coatings manufacturer, the number one in decorative paints and performance coatings, and a leading supplier of specialty chemicals.

Initially, the creation of new meeting rooms together with a substantially sized café provided for the benefit of staff and visitors alike, led to Oaktree being asked to consider and submit other proposals.

## The Solution

ICI, now part of Akzo Nobel, the world's largest coatings manufacturer, the number one in decorative paints and performance coatings, and a leading supplier of specialty chemicals. Initially, the creation of new meeting rooms together with a substantially sized café provided for the benefit of staff and visitors alike, led to Oaktree being asked to consider and submit other proposals.

*"Oaktree developed innovative design ideas in interpreting our outline brief. Through their management team, we now have a successful corporate quality facility that meets the needs of ICI's demanding business"*
